

Privacy Policy

We use your personal information (such as your name, address, and telephone number) for the following purposes.

- (1) To personally identify registered members of this site and provide them with various services
- (2) To complete the “Lodging Reservation Service” provided on the internet or by phone as well as relevant tasks that accompany it
- (3) To provide user and reservation information to our company based on reservation requests from users as per (2) above
- (4) To convey information, such as via our email service and various notifications, to users as agreed separately

Please fill in each of the required items for this service, otherwise you may not be able to use the service.

In principle, our company will not use your personal information for purposes other than the those stipulated above or offer it to a third party without your consent. However, our company may outsource some or all work handling personal information.

As a rule, only the person in question shall be able to request a report on usage of personal information; the disclosure, revision, addition, deletion, or suspension of use of registered personal information; or suspension of its provision to third parties. Please contact our representative for personal information management regarding the specific procedures for this.
